☒ was recorded on February 25, 2004 at Reel 015008, Frame 0130.

☐ was filed on _____ and according to our records has yet to be recorded.

☐ is filed herewith to be recorded in the Patent and Trademark Office.

☐ Attached is a Certificate under 37 CFR 3.73 filed on _____ establishing the right of the above named assignee to take action in this case.

The terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 USC §154 to 156 and 173, as presently shortened by any terminal disclaimer, of U.S. Patent No. 6,248,697 which forms the basis of the double patenting rejection in the present application, is hereby disclaimed, except as provided below. It is agreed that any patent granted on the instant application shall be enforceable only for, and during, such period that the legal title to said patent is the same as the legal title to U.S. Patent No. 6,248,697. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration of the full statutory term as defined in 35 U.S.C. §§ 154 - 156 and 173, as presently shortened by any terminal disclaimer, of U.S. Patent No. 6,248,697 which forms the basis of the double patenting rejection, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims canceled by reexamination certificate, is reissued in any manner or is terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
